Beyond Repair

A one shot I wrote after seeing a piece of art on tumblr.

Unfortunately is being stubborn and I can't link to it

This story isn't much but anyways, here you are.

><p>The once powerful night fury let out a low keen of pain, attempting to stand but immediately laying down. Blood trickled from numerous wounds over his sleek scaly hide, but the worst damage was to his wing, which was horribly torn.
"Just hang in there buddy." Pleaded Hiccup. "I'll fix you up, I promise." He murmured, stroking his head to calm him. Toothless once bright green eyes flickered open, fear pain reflected in them. It reminded Hiccup of that day so many years ago, when he had first brought down the night fury, how it seemed scared.
>"Remember how I fixed your tail? I'll fix you again, I promise." In his mind, he was already trying to devise a solution, but he was at a loss for once in his life. Panic and fear were beginning to grow, but he refused to give in. From behind him, he heard Astrid dismount from Stormfly and walk towards him.
"Hiccupâ€¦" She said.
>"I'm gonna fix him Astrid. I'll fix his wing, so he can fly. Just like I fixed his tail. He can be repaired!" Insisted Hiccup. "Can you get the rest of the gang? We need to get Toothless back to Berk." As he spoke, he glanced around the small deserted beach where Toothless had crash landed. It's rocky shore was fairly bare, and he could see the entire island from where he was. He really needed to get back to

Berk. Toothless could be fixed. And he refused to give up, Toothless had fought to the death for him. Now he would fight for Toothless.
"Come on Astrid!" By now, Hiccup was almost shouting, but Astrid hadn't left.
>"Hiccup. His wing is shredded and broken." Her voice was soft and quiet but filled with grief. It can't just beâ€¦fixed." her voice had dropped to a hoarse whisper, and her eyes were shining with tears ready to fall.
"NO! I'M NOT GIVING UP!" He shouted,his voice cracking. Behind him, Toothless let out another moan and drew in a shuddering breath. Fear ripping through him, Hiccup knelt beside his old friend, holding his head. Silent tears began to stream down Hiccups face, and he began to cry, his body trembling in anguish. Deep down, he knew Astrid was right. Toothless was beyond repair.
